

PJ ARJUN

POST GRADUATE ENGINEERING STUDENT

ABOUT ME

A highly motivated M. Tech candidate with a passion for mechanical & Manufacturing engineering, seeking to apply my skills in material science for cutting-edge projects in defense and space technologies.

ADDRESS

TC 1/1930, "SUBHANANDAM"
Near Medical College High
School, Kumarapuram,
Medical College P.O.,
Thiruvananthapuram- 695011.

PHONE : 9496261783

EMAIL aaromalpj@gmail.com

LINKEDIN

[linkedin.com/in/p-j-arjun-1036b01b7](https://www.linkedin.com/in/p-j-arjun-1036b01b7)

SKILLS

FEA (ANSYS, ABAQUS, SIMSCALE)

LaTeX

AUTODESK FUSION 360

AUTODESK INVENTOR

AUTOCAD, MATLAB

MICROSOFT EXCEL.

LANGUAGES

ENGLISH (PROFICIENT),

HINDI (INTERMEDIATE),

MALAYALAM(MOTHER TONGUE)

EDUCATION

2024- PRESENT- M.TECH IN MANUFACTURING TECHNOLOGY (CGPA-9.26)
Indian Institute of Space Science and Technology | Thiruvananthapuram

2018-'22- B.TECH IN MECHANICAL ENGINEERING (CGPA-9.74)
Mar Baselios College of Engineering and Technology | Thiruvananthapuram

2016-'18- HIGHER SECONDARY EDUCATION- CBSE (89.7 PERCENTILE)
Physics, Chemistry, Mathematics | Arya Central School | Thiruvananthapuram

2014-'16- SECONDARY EDUCATION- CBSE (CGPA 10.0)
Science stream | Paradise Public School | Thiruvananthapuram

PROJECTS

Path Planning and Thickness Control based Design for Manufacturing of Filament Wound Liner-less Composite Tanks for Aerospace Applications (Ongoing M. Tech Project work done in CMSE, VSSC, Thiruvananthapuram).

Simulation of Hot Ring Rolling process (Course Project done in March 2025)

Simulation of orthogonal cutting using ABAQUS software. (Course project)

Design of payload Housing of satellites (Course project).

Fabrication and Frictional Analysis of Nanoplatelets reinforced Polymer matrix Composites. (BTech Project).

INTERNSHIP

Preliminary Insights into the Comparative Behavior of Titanium Alloy Ti-6Al-4V With and Without Boron Addition Produced by Laser Powder Bed Fusion (LPBF) done in MMA/MME VSSC, Thiruvananthapuram for a duration of over 2 months (June- August 2025)

Tribological analysis and Mechanical testing of different Polymer composites in CSIR NIIST, Pappanamcode for a duration of 21 days (2021-'22).

PUBLICATIONS

First Author of the Review Paper "Silver and Silver nanoparticles for the potential treatment of COVID-19: A Review". Published on 19 October 2022. MDPI coatings Vol 12 Issue 11.

ACHIEVEMENTS

Best Final Year Project (Mechanical Department) of the year 2022. Best Academic Performance Award (Mechanical Dept) (BTech 2018-'22).

One Among Toppers List (Top 2% OF total Mechanical Students) From KTU university during 2018-'22 batch.

Completed Coursera online courses with honors in "Modeling and Design for Mechanical Engineers with Autodesk Fusion 360" during October 2020.

Completed NPTEL course with Silver medal in "Manufacturing Systems Technology I and II" and "Manufacturing Process Technology" undertaken by IIT Kanpur during the year 2021.

Held the position of Secretary of ASME Student Chapter in the college for a duration of 1 year on 2021.

HOBBIES

Reading (regularly read publications like ASME magazines), Attending technical discussions (workshops, symposium, conferences like ASME EFX, NAMS, etc.)

Prototype Modelling (made many miniature models of adapters, rockets etc.)
Cricket (became vice-captain in the school team).
